APPROVAL OF MINUTES

On a motion by Michael Mattson, seconded by Sheri Perkins, and carried unanimously, the Wednesday, March 14, 2023, Work Session minutes were approved as presented. Chairman Kelly called for comment. There was no comment.

BOARDS AND COMMISSIONS

PARKS & RECREATION

Joe Burke was not present. Chairman Kelly reported that he spoke with Joe earlier and they held their March meeting and discussed recent events, the Easter Egg Hunt was postponed until the next day due to inclement weather, but Sunday's turnout was good. Eagle Scout Projects were also discussed including the installation of bat houses in each park.

HISTORICAL COMMISSION

Ric Miller had nothing to add to his report. Chairman Kelly mentioned he recently attended the U.S.S. Albany Reunion, and he brought back something for the time capsule project. The Board thanked Ric.

PLANNING COMMISSION

No one from Planning was in attendance. Jeff mentioned their upcoming meeting is canceled because the VMDT plans were not ready.

SEWER ADVISORY COMMITTEE

Ted Jacquet had nothing new to report. The Board thanked Ted.

ENVIRONMENTAL ADVISORY COUNCIL

Katie Grieco reported on the CRC trees to plant this weekend at Barrett's Meadow and working in Bonner. They are planning events and are looking for scouts to help with bridges. They are working with Delco Birding to maintain birdhouses. She then introduced Andrea Furlano, who gave her background on sustainability programs and strategies and offered her services to the Board. The Board thanked Andrea and welcomed her to the EAC. Supervisor Mike Mattson asked what type of trees were being planted and Jeff mentioned good size sycamore and other varieties. The Board thanked Katie.

LIBRARY BOARD

Jean Mackenzie was not in attendance.

Jr. SUPERVISOR

Jake DeMarco reported that swimmer Flynn Truskett received 4th and 5th place medals in states for the 100 Free and 100 Fly. The boys and girls lacrosse teams have started off well and are looking to make a playoff run. The softball and baseball teams, led by Division 1 prospects Kelly Fricker and Owen Crowe respectively, are also doing very well. Sophomore David McClain earned the Ches-Mont player of the week award, as he carried the knights to victory with a 4 hit, 2 homerun game. While off to a slow start, the Tennis Team still looks to have a great season, boasting players Jack Benedetto, Daniel Scaffone, and Maya Tashie, three of the Ches-Mont's finest. Finally, Rustin hosted its first annual Frontline Dodgeball Tournament. The event was created solely by Rustin students looking to make a difference. The tournament was a huge success, raising over \$3,000 for the Wounded Warriors Project. The Board thanked Jake and Vice Chair Sheri Perkins added she enjoyed Jake's report very much because she knows many of the students he mentioned.

STAFF REPORTS

TOWNSHIP MANAGER'S REPORT- Jeff Seagraves

Jeff reported the generator at the treatment plant was repaired by Mardinly. We opted to repair as opposed to replacing the generator at this time due to lead times on replacement generators. We will look to replace the generator next year as it will likely take that long to get a replacement. We did receive notice from our insurance carrier that they will be reimbursing us some of the monies spent on the generator failure in November 2022.

The hearing for 27 Sweetwater before the district judge was continued. We have not received a new date for the continuance.

We received notice from Delaware County that we will receive \$4,148.00 from the county for liquid fuels.

Dale Frens associates were due to review the property at 90 Station Road today.

The grinder at Squire Cheyney Pump station. There is an issue with the rack that holds the controls for the pumps station and the conduit that feeds the electricity to the grinder needs to be replaced. AJ Jurich routed the electric supply temporarily. We need to work on getting that repair scheduled.

Jeff mentioned he will be out of the office from Thursday 4-6-23 until Wednesday 4-12-23.

We met with Wayne Grafton to discuss the PROS grant from Delaware County and plan to have a written plan to the Board of Supervisors within the next month.

We have a Red Cross Blood Drive scheduled for Tuesday April 18, 2023.

The Volunteers Appreciation Dinner is scheduled for Sunday April 16, 2023, at 3:00 at Grace Winery.

Local Government Day is scheduled for Thursday April 13, 2023. Chairman Kelly reminded Jake about Local Government Day next Thursday. The Board thanked Jeff and wished him a great vacation.

TOWNSHIP ROADMASTER'S REPORT – Art Risley

The Roadmaster's report was submitted and is attached. Art reported on the new holiday tree replacement and working with Park & Rec on the Eagle Scout Bat House project. The Board thanked Art, and Mike Mattson commented that they made short work of the tree replacement.

TOWNSHIP SOLICITOR'S REPORT – Kenneth Kynett, Esq.

The Township Solicitor's Report was submitted and is attached. Ken reported on Emergency Services Billing – Drafted and ordinance which, if adopted, would authorize fire and rescue service providers to collect certain costs and expenses incurred when performing services in the Township. These costs and expenses would be collected from insurance carriers and not directly from persons involved in the incident. The ordinance would require a public hearing prior to adoption. It does not require review by the Township or County Planning Commissions.

Ken then reported on Breach of Personal Information - Act 151 of 2022 requires municipalities to have a notification policy in place in the event that personal information of residents is released or compromised through a computer system breach. An ordinance has been prepared for the Board's consideration. It would require a public hearing prior to adoption. It does not require review by the Township or County Planning Commissions. The Board thanked Ken.

TOWNSHIP ENGINEER'S REPORT – Mike Ciocco, PE

The Township Engineer's Report was submitted and is attached. Mike reported Taylor Mill storm sewer repairs are completed and they have asked us for list for dedication and any open temporary CO's. The 2023 Road Program – Plans and specifications have been prepared and the bid has been advertised and uploaded to PennBid for opening on 4/17/2023 at 10:00 am. The Board thanked Mike.

TOWNSHIP SEWER ENGINEER'S REPORT – Charles Faulkner, PE

The Township Sewer Engineer's Report was submitted and is attached. Chuck reported on Air Release Manhole Isolation Valves. KBX/Golden was able to address the inoperable isolation valves found in several of the manholes during the initial inspection. Of the four (4) valves that were inoperable at that time, all were able to be operated after applying a penetrating oil and repeatedly working the valve. The next step is to replace many of the older air release valves. The Board thanked Chuck.

ADJOURN

The meeting adjourned at 7:23 pm.

Respectfully submitted,

Geoffrey Carbutt, Township Secretary

cc: Board of Supervisors
Kenneth Kynett, Esq.

Township Solicitor, Kenneth D. Kynett Esquire, files the following report for April 5th, 2023.

1. 170-174 Dilworthtown Road – Settlement Stipulation has been fully executed and zoning appeal has been withdrawn by the property owner and occupant. The Township will have to monitor compliance.
2. Cheyney University – Approved a variation of Township Stormwater Management O&M Agreement at the request of the Pennsylvania Department of General Services. A written waiver will need to be requested to eliminate the need for the posting of escrow for inspections and the plans will need to be updated to include the waiver request.
3. CRC Riparian Buffer Agreement – Worked with Township Manager on an acceptable agreement for CRC's proposed riparian buffer planting in Barret's Meadow.
4. Mortgage Satisfaction – Prepared Mortgage Satisfaction for 25 Wood Ridge Road at the request of the Township. Given the length of time between meeting this month, the Mortgage Satisfaction has been executed by the Township Manager and will be sent by our office for recording. The execution of the Mortgage Satisfaction should be ratified at the Board's April 5th public meeting.
5. Department of Health - A conference was held by Judge Whelan on March 24th. My understanding is that nothing of any substance resulted from the conference and the Judge is considering whether he can hear the matter given his prior relationship with some of the municipal parties. As always, further update on the Township's suit and the County' suit should come from Jim Byrne, Esquire.
6. 27 Sweetwater Road – Mr. Tate filed a federal suit against the Township alleging that his use on the property was permitted forestry activity. The suit seeks monetary damages and was turned over to the Township's insurance carrier.

Solicitor's Report for
April 5th, 2023

7. Emergency Services Billing – Drafted and ordinance which, if adopted, would authorize fire and rescue service providers to collect certain costs and expenses incurred when performing services in the Township. These costs and expenses would be collected from insurance carriers and not directly from persons involved in the incident. The ordinance would require a public hearing prior to adoption. It does not require review by the Township or County Planning Commissions.
8. Breach of Personal Information - Act 151 of 2022 requires municipalities to have a notification policy in place in the event that personal information of residents is released or compromised through a computer system breach. An ordinance has been prepared for the Board's consideration. It would require a public hearing prior to adoption. It does not require review by the Township or County Planning Commissions.

ENGINEER'S REPORT
REGARDING WASTEWATER ISSUES
April 5, 2023

East Side District:

– Black Bell Farm (Walton Lane)

- We have re-checked the previous areas of settlement after the past significant rain events. It does not appear any additional settlement has occurred. We will continue to monitor these areas. In addition, we are coordinating with Township staff and the developer to resolve the remaining punch list items as soon as possible.

– Connection/Capacity Status

- We are preparing a letter summarizing the number and location of the approved connections remaining within the various subdivisions/neighborhoods in the East Side District. The purpose of this is to have a snapshot of the magnitude of remaining flows to be added to the treatment plant, and the balance of capacity available at the plant.

East/West Side Districts:

– Air Release Manhole Isolation Valves

- KBX/Golden was able to address the inoperable isolation valves found in several of the manholes during the initial inspection. Of the four (4) valves that were inoperable at that time, all were able to be operated after applying a penetrating oil and repeatedly working the valve. The next step is to replace many of the older air release valves.

– Inflow/Infiltration

- We are working to coordinate a visual check during rain events of various manholes within the following easements: Lake Drive to Cherry Farm Lane, portions of Cherry Farm Lane, Country Run easement and the easement west of Strickland Way. Also, in conjunction with this, any lateral cleanouts within the easement will be visually checked.
